All-

I just left Jennifer a message.

The only boulders I know of that are proposed for this area are part of the hairball project. I do not recollect any being installed as part of Chavez or Potrero.

Thanks,

Hi Cristina,

The boulders for the Potrero project have all been successfully installed but they end just south of 25<sup>th</sup> Street.

I haven't heard about any boulders under the underpass.

Nick

Hi Nick,

Do you know anything about boulders on Chavez under the interchange? I know we had some planned for Potrero, but I don't recall any on Chavez.

Thanks,  
Cristina

Hi Tony,

John Thomas suggested I reach out to you:

I have a deadline media query regarding the boulders installed under overpass at Cesar Chavez and Potrero.

Can you help answer a few questions, including status (are there more coming?), cost and design?

Thanks,

Jennifer Blot
